CASASUR ART HOTEL

SUMMARY

An intimate new boutique hotel, CasaSur Art Hotel has just 36 spacious rooms and suites behind its attractive neoclassical façade on Callao Avenue. With a high level of personal service, a restaurant, spa and fitness room, it is an exciting new addition to Buenos Aires.

There is a calm and relaxed ambience here, creating the feel of a stylish home. The sleek rooms and suites, highlighted with dark polished wood furniture and floors, have a sophisticated, masculine feel softened by subtle lighting, stylish, black and white framed photographs and vases of fresh flowers.

You will find designer boutiques and art galleries literally on the doorstep. Visit the Recoleta Cultural Centre and the National Museum of Beaux Arts. Then, after a busy day exploring the city, indulge in a deluxe chocolate wrap at the hotel's spa before enjoying tapas in the bar.
