$6000 GRADUATE FELLOWSHIPS

"Soane contrives his interior architecture so that the spaces flow one into another, both horizontally and vertically... In his amazing handling of space and light, he was very much ahead of his time."

Margaret Richardson

Purpose:

Two Sir John Soane’s Museum Foundation Graduate Fellowships each provide a $6,000 award for students in graduate degree programs in art history, architecture, interior design, and the decorative arts. The Fellowship funds a research residency at the Soane Museum oriented towards academic research related to any aspect of the work of Sir John Soane or Sir John Soane’s Museum. Fellows work in concert with Museum staff and curators to utilize the collections, with the opportunity to draw from the collective knowledge of Museum personnel regarding their research. Two awards are presented annually – one to a student of architecture and the second open to all candidates.
